

MEMORANDUM OF UNDERSTANDING for the Eastern Idaho (Region 6) American Job Center Network

This Memorandum of Understanding (MOU) for the Eastern Idaho American Job Center Network is executed between the Idaho Workforce Development Council and the Idaho American Job Center Network partners offering services in service delivery area (SDA) 6, also referred to as Region 6.

This MOU incorporates by reference the statewide MOU for the Idaho American Job Center Network, which outlines statewide policies for the American Job Center (AJC) Network. The Eastern Idaho AJC MOU provides details specific to SDA 6.

MOU Design and Contents

Per 20 CFR § 678.500, both parts of the MOU will contain the following provisions:

- Parties to the MOU
- Design of the one-stop delivery network
- Description of services to be provided through the one-stop delivery system
- Methods of referral
- In person, warm phone transfer, email, and other methods of engagement
- Methods to ensure that needs of special population groups are met including access to services and access to technology and materials available through the one-stop delivery system
- Duration and assurances
- Signatures

Idaho is required to have two comprehensive one-stop centers. These are located in Regions 2 and 6. The MOUs for these two SDAs also contain final cost sharing plans for the comprehensive centers in those locations, found in Attachment A.

Introduction

Vision

The overall vision for Idaho's Workforce Development system is to: improve access to education, economic opportunity, and employment for all of Idaho's job seekers – especially those with significant barriers to employment; develop a skilled and competitive workforce that meets the needs of Idaho's employers; stimulate the vitality of our local communities; and promote a state economy that is competitive in the global economy. The Combined State Plan identifies four priorities to realize this vision: 1) Improving public awareness and access to the workforce system; 2) Coordinating business services across partners to ensure delivery of streamlined and high-quality solutions; 3) Serving rural and remote communities; and 4) Career pathways/Sector partnerships. Idaho's American Job Center Network is designed to support these priorities within its capacity under the Workforce Innovation and Opportunity Act. Idaho has an uncommon composition of a small population spread across large geographic areas. Its very uniqueness necessitates the development of a modified one-stop system that provides quality services in diverse locations and maximizes scarce resources. Idaho's statewide

framework addresses varying levels of partner coordination in different locations and still provides consistency in quality service delivery to its citizens across the state.

Background

WIOA mandates the one-stop system of service delivery in the local areas. The one-stop system combines separate workforce investment, education and other human resource programs and funding streams to create a seamless system of service delivery for individuals receiving assistance. WIOA Sec. 121 requires that an MOU be developed and executed between the Local Workforce Development Board, with agreement of the chief elected official and the one-stop partners relating to the operation of the one-stop system in the local area. The Idaho Workforce Development Council (WDC) serves as the required State Workforce Development Board and as a Local Workforce Development Board for the entire state of Idaho, operating under an approved waiver, as indicated in the 2020 state plan. The Governor serves as the chief elected official for all areas within the state of Idaho. The state-level one-stop partners in Idaho have been working together on WIOA one-stop implementation since late 2014. This MOU was negotiated in accordance with 20 CFR § 678.510 by the partners and members of the WDC's One-Stop Committee, with input from one-stop partner agencies and service providers.

Parties to the Region 6 MOU

The **Workforce Development Council (WDC)** serves as both the State Workforce Development Board and Local Workforce Development Board for Region 6, operating under an approved waiver, as indicated in the 2020 state plan. The primary role of the WDC is to represent the Governor and set policy for the statewide workforce development system.

Section 121(b)(1)(B) of WIOA identifies programs that are to be included in a one-stop delivery system and requires entities that administer the programs as required partners in the local one-stop delivery system. The following entities are responsible for these programs in the Idaho American Job Center Network and are parties to the statewide MOU.

The **Idaho Department of Labor (IDOL)** is responsible for the administration and delivery of required programs. These **required** one-stop programs are offered in the Idaho American Job Center Network: Adult and Dislocated Worker employment and training and Youth workforce investment programs under WIOA Title IB; the Wagner-Peyser Act for Employment Services and labor market information; the Trade Adjustment Assistance and NAFTA Transitional Adjustment Assistance activities authorized under chapter 2 of Title II of the Trade Act of 1973 (19 u.s.c.2271); local veterans' employment representatives and disabled veterans outreach programs authorized under chapter 41 of Title 38, U.S.C.; and state unemployment compensation programs.

The **Idaho Department of Labor** is also responsible for the administration and delivery of additional programs offered in the Idaho American Job Center Network: Foreign Labor Certification Program under the Wagner-Peyser Act; State Wage & Hour under the Fair Labor Standards Act; Work Opportunity Tax Credits referenced in Internal Revenue Code; Serve Idaho under the National and Community Service Act of 1990; and,

The **Idaho Department of Labor** is also responsible for the administration and delivery of the **required** WIOA Title I program Job Corps.

The **Idaho Division of Vocational Rehabilitation** is responsible for the administration and delivery of the **required** programs authorized by Title I of the Rehabilitation Act of 1973 (as amended by Title IV of WIOA).

The **Idaho Commission for the Blind & Visually Impaired** is responsible for the administration and delivery of the **required** programs authorized by Title I of the Rehabilitation Act of 1973 (as amended by Title IV of WIOA).

The **Idaho Division of Career Technical Education** is responsible for the administration of **required** programs in the Idaho American Job Center Network: postsecondary career and technical educational activities under Carl D. Perkins Vocational and Applied Technology Education Act; adult education and literacy activities authorized under Title II of WIOA.

The **Idaho Division of Career Technical Education** also serves as a liaison to workforce training centers at public technical and community colleges.

The **Idaho Commission on Aging** is responsible for the administration of the **required** Senior Community Service Employment Program activities authorized under Title V of the Older Americans Act of 1965.

The **Community Council of Idaho** is responsible for the administration and delivery of the following **required** WIOA Title I National Farmworker Jobs Program and YouthBuild.

The **Idaho Department of Health and Welfare** is responsible for the administration and delivery of the **required** Temporary Assistance for Needy Families (TANF/TAFI)-Self-Reliance Program.

The **Idaho Department of Health and Welfare** is also a responsible for the administration of additional programs offered in the Idaho American Job Center Network: Supplemental Nutrition Assistance Program (SNAP), employment and training programs for TAFI and SNAP, and Community Services Block Grant.

The **Idaho Commission on Libraries** is a partner serving as a connection to the Idaho American Job Center Network partner program services and provides learning resources in the local communities. Signatories for the SDA MOUs may vary according to local obligations.

Services Provided

The Eastern Idaho Comprehensive, IDOL affiliate, and IDOL remote network AJC's offer basic, individualized and training services to job seekers and business services to employers in Region 6. These services use a triage approach that includes access via self-service, customer assisted services, or intensive case managed services.

1. Basic career services that are available to all job seekers

- Outreach, intake and orientation to the information, services, programs, tools and resources available through the local workforce system
 - Initial assessments of skill level(s), aptitudes, abilities and supportive service needs
 - In and out of area job search and placement assistance (including delivery of information on in demand industry sectors and occupations and non-traditional employment)
 - Access to employment opportunity and labor market information
 - Performance information and program costs for eligible providers of training, education, and workforce services
 - Information on performance of the local workforce system
 - Information on the availability of supportive services and referral to such, as appropriate
 - Information and meaningful assistance on Unemployment Insurance claim filing
 - Determination of potential eligibility for workforce partner services, programs, and referral(s)
 - Information and assistance in applying for financial aid for training and education programs not provided under WIOA
2. Individualized career services, if determined to be appropriate, may be provided to an individual in order to obtain or retain employment:
- Comprehensive and specialized assessments of skills levels and service needs
 - Development of an individual employability development plan to identify employment goals, appropriate achievement objectives, and appropriate combination of services for the customer to achieve the employment goals
 - Referral to training services
 - Group counseling
 - Literacy activities related to work readiness
 - Individual counseling and career planning
 - Case management for customers seeking training services; individual in and out of area job search, referral and placement assistance
 - Work experience, registered apprenticeships, and internships
 - Workforce preparation services (e.g., development of learning skills, punctuality, communication skills, interviewing skills, personal maintenance, literacy skills, financial literacy skills, and professional conduct) to prepare individuals for unsubsidized employment or training
3. Follow-up services must be provided as appropriate, including counseling regarding the workplace, for participants in adult or dislocated worker workforce investment activities who are placed in unsubsidized employment, for up to 12 months after the first day of employment.
4. Veteran Services – Veterans and eligible spouses receive priority of service for receipt of employment training and job search services. Region 6 has one Veteran Representative located in the Idaho Falls Comprehensive AJC. In addition to basic services, a disabled veteran may receive intensive services to include:
- Comprehensive assessment of education, skills, and abilities
 - In-depth interviewing/evaluation to identify employment barriers and employment goals
 - Group and individual career coaching

- Short-term prevocational services which may include the development of learning skills, communication skills, interviewing skills, punctuality, personal maintenance skills, and professional conduct to prepare individuals for unsubsidized employment or training
 - Development of an individual employment plan, to include the services appropriate to meet the Veteran's goals
5. Per 20 CFR § 678.435, business services offered through the Idaho American Job Center Network shall include the provision of labor market information and labor exchange services authorized under the Wagner-Peyser Act (29 U.S.C. 49 et seq.) and appropriate career services such as providing recruitment on behalf of employers and referrals to specialized business services. American Job Center staff have established and will continue to develop relationships and networks with large and small employers and their intermediaries and maintain industry or sector partnerships. In addition to the required services described in this paragraph, customized business services as described below may also be offered to employers:
- Serve as a single point of contact for businesses, responding to all requests in a timely manner
 - Provide information and services related to Unemployment Insurance taxes and claims
 - Assist with disability and communication accommodations, including job coaches
 - Conduct outreach regarding the local workforce system's services and products
 - Conduct on-site Rapid Response activities regarding closures and downsizings
 - Develop On-the-Job Training (OJT) contracts
 - Provide customized recruitment and job applicant screening, assessment and referral services
 - Provide employer and industry cluster-driven Occupational Skills Training through Individual Training Accounts with eligible training providers
 - Conduct job fairs
 - Use of one-stop center facilities for recruiting and interviewing job applicants
 - Coordinate with employers to develop and implement layoff aversion strategies
 - Provide information regarding disability awareness issues
 - Provide information regarding workforce development initiatives and programs
 - Provide information regarding assistive technology and communication accommodations
 - Develop, convene, or implement industry or sector partnerships

In addition to the career, individualized, follow-up, veteran services and business services described above, The Idaho American Job Center Network will provide access to all services provided by one-stop partner programs as appropriate.

The service delivery is structured to include multiple service locations, scheduled regular or intermittent visits to outlying areas, and direct linkage through technology such as Skype and FaceTime. The ADA workstation(s) at each AJC will offer assistive technology for individuals who are visually impaired, deaf or hard of hearing, and/or with limited mobility to ensure access to the full range of information and services.

All AJC Network partners have agreed to support and participate in the operation of Eastern Idaho's one-stop system.

Design of the Region 6 One-Stop Delivery Network

WIOA SEC. 121(e) requires each local area in the state to establish a one-stop delivery system, which shall provide career services. The Idaho American Job Center Network MOU describes the list of services provided. As authorized by each partner program, one-stop partners offer a seamless flow of services to individual customers based on individual needs. Eastern Idaho (Region 6) AJC Network partners will provide access and/or referrals to services provided by one-stop partner programs as appropriate.

The Eastern Idaho American Job Center Network serves a nine-county area: Bonneville, Butte, Clark, Custer, Fremont, Jefferson, Lemhi, Madison and Teton.

The physical service delivery location structure consists of one Comprehensive AJC, Affiliate American Job Centers, Remote Network location(s) and American Job Center Network Partner locations. **See Attachment B for a list of centers, their addresses and their certification status.**

The Eastern Idaho Comprehensive American Job Center (AJC) is located in the Idaho Falls, Idaho Department of Labor office. Major services such as Wagner-Peyser Employment Services, WIOA Adult, Dislocated Worker, and Youth programs, TAA, Veteran Services, and labor market information are integrated and provided at the Comprehensive One-Stop.

The Eastern Idaho Affiliate American Job Centers (AJC) are located at Idaho Department of Labor offices in the service delivery area. Major services such as Wagner-Peyser Employment Services, WIOA Adult, Dislocated Worker, and Youth programs, TAA, Veteran Services, and labor market information are integrated and provided at the affiliate AJC.

The Eastern Idaho Remote Network Partners rotate locations on a daily basis, in order to better serve our rural areas. Major services such as Wagner-Peyser Employment Services, WIOA Adult, Dislocated Worker, and Youth programs, TAA, Veteran Services, and labor market information are integrated and provided at the remote location(s).

Additional Eastern Idaho Network Partners include specific partner programs such as vocational rehabilitation, senior community service employment, migrant and seasonal farmworker, and others.

Service Coordination

Eastern Idaho AJC Network partners have determined the majority of our programs are focused on customer employment and meeting the demand-driven needs of business. As partners in the American Job Center Network, we believe that our coordinated efforts will improve outreach to business as we work with them directly to identify their workforce and economic development needs. Our system structure is demand-driven and produces customized solutions for workforce and talent development needs of employers and targeted industries in the regional economy. All AJC Network partners agree that coordinating services and outreach to business is imperative to the success of our efforts.

The comprehensive and affiliate centers in Region 6 convene business outreach teams in each locality and develop a working relationship between the team and the workforce training centers and regional economic development organizations, coordinating with the WDC's Business Partnership Manager. Regions will submit a monthly "business contact" list to the WDC. Each team will provide labor exchange

activities for both job seekers and employers through the internet based IdahoWorks system at www.idahoworks.gov. This system allows for labor exchange functions to be accessible 24/7 365 days per year. Staff in the centers are available to assist employers with job postings, hiring events, labor market information and referrals to training services and tax credit options as appropriate. Staff are also able to provide employers with customized recruitment assistance, access to skills assessment software for potential job candidates and access to use space in the comprehensive and affiliate centers for candidate recruitment and interviews. The center staff may also provide referrals and information regarding disability awareness issues, assistive technology and communication accommodations.

The comprehensive center staff in Region 6 will coordinate layoff aversion and other rapid response activities as needed, regarding closures and downsizing.

A Regional Labor Economist with the Idaho Department of Labor can assist employers with labor market information, wage and demographic data, impact analyses, etc. These information services are also available at the request of AJC Network partners.

Referral Process

AJC staff and partners assist with referrals and access to information for other Idaho American Job Center Network partners and their programs.

Any AJC staff member can perform an initial interview to connect the individual with the appropriate services – either directly or through a referral to individualized career services, training services or supportive services. The robust referral process in use throughout the state is described below.

Formal referrals will be made to partners with relevant services primarily based on initial interviews. All AJC staff are required to be trained on network partner services and encouraged to foster personal relationships with other service providers. Before a referral is made, staff conduct an initial interview to determine needs and interests. With permission, an individual's initial information is provided to the partner program's staff using the receiving program's preferred referral method. Staff may also make referrals by direct communication using phone, email or in person, depending on what is best for the partner and the customer. Information on connecting to one-stop network partners is available in the AJC and on other online resources such as partner websites and the IdahoWorks labor exchange system. Most partner staff are able to provide basic career services directly through this arrangement. Immediate direct delivery of career services to the customer is expected whenever possible. Co-enrollment with partner programs is also encouraged when appropriate.

Region 6 is committed to evaluating our referral process and to continual quality improvement. Many case managed participants are co-managed by multiple partners, thereby eliminating duplication of services by coordinating plans of action, distribution of funding, and providing seamless, meaningful customer focused service. Quarterly partner meetings are held to discuss the seamless referral processes and to remove barriers.

Methods of Ensuring Accessibility

The one-stop operator will ensure that programs in each service delivery area offer coordinated outreach to individuals with barriers to employment with guidance from the WDC, its One-Stop Committee and other local stakeholders. The operator may develop outreach plans targeted to groups

such as workers, youth, individuals with disabilities, those with limited English proficiency, low literacy levels, or others with barriers to employment.

Accessibility and Accommodations

Certified AJCs must meet the requirements of WIOA Section 188 affording programmatic and physical access to services. Each comprehensive and affiliate AJC is assessed annually to ensure accessibility to individuals with disabilities. All AJCs are equipped with accessible computers specifically designed with ADA equipment and software to accommodate a variety of disabilities. Program service providers can provide language assistance to individuals with limited English proficiency through oral interpretation, either in person or via a telephone interpretation service such as the Language Line or written translation. Reasonable accommodations are made for customers requiring assistance to receive services.

Additional Terms

Assurances

All Parties to this agreement shall comply with:

- Section 188 of the WIOA Nondiscrimination and Equal Opportunity Regulations (29 CFR Part 38; Final Rule, published December 2, 2016),
- Title VI of the Civil Rights Act of 1964 (Public Law 88-352),
- Section 504 of the Rehabilitation Act of 1973, as amended,
- The Americans with Disabilities Act of 1990 (Public Law 101-336),
- The Jobs for Veterans Act (Public Law 107-288) pertaining to priority of service in programs funded by the U.S. Department of Labor,
- Training and Employment Guidance Letter (TEGL) 37-14, Update on Complying with Nondiscrimination Requirements: Discrimination Based on Gender Identity, Gender Expression and Sex Stereotyping Are Prohibited Forms of Sex Discrimination in the Workforce Development System and other guidance related to implementing WIOA sec. 188,
- The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR part 99),
- Confidentiality requirements governing the protection and use of personal information held by the Vocational Rehabilitation agency (34 CFR 361.38),
- The confidentiality requirements governing the use of confidential information held by the State Unemployment Insurance agency (20 CFR part 603),
- All amendments to each, and
- All requirements imposed by the regulations issued pursuant to these acts.

Review

This MOU will be reviewed at least annually by the partners and once every three years by the WDC One-Stop Committee. If significant changes occur, this agreement may be modified as authorized below.

Modification

This MOU may be modified, altered or renewed by mutual written consent of all the parties, by the issuance of a written amendment, signed and dated by all the parties. Modifications may include the

addition of new Idaho American Job Center Network partners as approved by the WDC. Updates to Attachment 2 for addresses and AJC certification status may be made without a written amendment.

Withdrawal from or Termination of the Agreement

Any partner to this Agreement may withdraw its participation in the MOU, in whole or in part, upon giving written notice of at least 30 days to the WDC, provided that a written explanation of the scope of withdrawal and the reasons for that withdrawal are included in the written notice. This MOU may be terminated at any time by mutual written consent of all partners. It is understood that the partners will seek to resolve all conflicts in order to avoid termination. The designated representative of each partner will be responsible to coordinate all matters associated with this MOU for their party, including all written notices.

Disputes

The partners acknowledge that disputes may arise from time to time and agree to attempt to resolve such disputes in the most expeditious manner possible. The lead representative for each partner involved in a dispute will attempt to reach resolution before turning the matter to the WDC. The WDC will agree upon a resolution and offer a recommendation for action to the parties involved.

Severability

If any part of this MOU is found to be null and void, or is otherwise stricken, the rest of this MOU shall remain in full force and effect, until negotiation or rewritten.

Duration

The partners agree that the terms of this MOU will take effect as of July 1, 2021 and will continue until such time as any partner or partners, shall modify or terminate this agreement as provided above.

**Attachment A
Infrastructure Cost Sharing Agreement Methodology**

The one-stop partners agree that all partners benefit from the resources and services available to the public that are provided at the Comprehensive American Job Center (AJC). The partners agree to pay a proportionate share of infrastructure costs based on square footage of the shared space.

The center provides workspace for Idaho Department of Labor staff, who work onsite. The center also offers a resource room available for all system participants, as well as, conference, computer and interview rooms for partner use. Until data is available across all partners, only co-located partners will contribute to the infrastructure costs proportionate to the commonly used shared service space in the center.

A table showing the distribution of space at the Idaho Falls Comprehensive One-Stop Center follows.

The Idaho Department of Labor uses 28.46% of the direct space for staff operations, Idaho Division of Vocational Rehabilitation uses 2.81%, and the Office of the Governor uses 1.07%. The remaining 67.66% of the space is commonly available for the partners' and their customers' use.

The Idaho Department of Labor will pay for its direct use of space, plus its proportionate costs for shared space in the AJC. The Division of Vocational Rehabilitation will be vacating its direct space near the beginning of the program year. Because no other partners are co-located at the AJC, the other one-stop partners will only pay their proportionate costs for the shared space after data sharing agreements are executed for all partners.

Allocation Base for Shared Space

The partners agree to allocate the costs for the shared space based on the number of participants receiving a service from the comprehensive one-stop center. For the purpose of this agreement, each partner reported the number of participants in each program during the previous quarter. The data was matched against participants receiving a service in the AJC (to ensure that a direct benefit had been provided).

The number and percent of participants by program is expressed as a percent of the shared cost (67.66%) in the following table.

Their square footage has been used to calculate the total footage of the office but will not have any costs associated. This inclusion means that not all totals will equal 100% but are still accurate for the purposes of this document.

Required Programs and Service Delivery Specific to Comprehensive Center

Per WIOA, a comprehensive AJC must provide access to all required one-stop programs. Such access can be accomplished through physical co-location, direct linkage, or staff cross-training as defined in 20 CFR § 678.305(d).

For each of the required programs available in the Comprehensive American Job Center, please provide the name of the service provider and how the services are provided in the center. Each program must provide at least one of the three options:

- Co-located – If service provider staff are physically located at the center. If not full-time staff, the degree of co-location.
- Direct Linkage – How service provider staff are directly accessible, if not physically located at the center, or in addition to physical co-location.
- Cross-Train – If comprehensive center staff are expected to provide access to services on behalf of the non-co-located programs, how training is provided.

For those required programs without full-time staff physically present in the comprehensive AJC, describe how customers are able to access program services in the center. If the strategy includes cross-training AJC staff, include the annual training schedule.

Access/Direct Linkage to Comprehensive Center Narrative

For those partner programs not physically located in the comprehensive American Job Center, customers will access program services in various ways. In general, AJC staff will be cross trained on the basic services and eligibility requirements for partner programs not physically located in the Center. On an annual basis, at a minimum, the One-Stop Operator in collaboration with required/optional partners, will cross-train appropriate staff in all agencies, on the key basic services and eligibility requirements of partner programs. A universal referral form resulting in a warm hand-off to partner agencies, as well as basic program descriptions has been developed and provided to all staff. Region 6 network partners are committed to providing seamless service to all customers and we will continue to work diligently to do so.

- **IDVR:** A Vocational Rehabilitation Counselor is physically located in the One-Stop Center two days per week. Appointments for Sheila are made by her as well as by the One-Stop staff. WIOA and VR work hand in hand with many customers and take a team approach to providing services. The staff from VR take part in the annual collaborative staff training provided at the Comprehensive One-Stop Center. Center staff have basic knowledge of vocational rehabilitation programs and are able to make a warm handoff directly to Sheila on the days she is in the center, by scheduling an appointment or by phone or e-mail via the information on the partner referral form.

(Sheila Hadden has office hours at IDOL Mondays and Wednesdays from 8 to 5pm. Appointments at DOL are set by Sheila's Vocational Rehabilitation Assistant (VRA) or herself. Individuals can contact either Cindy Barney VRA at 208-356-4190 or Sheila Hadden at 208- 360-6431. Contacts can also be made by e-mail at cindy.barney@vr.idaho.gov or sheila.hadden@vr.idaho.gov to schedule an appointment.

- **ICBVI:** Matthew Queen is the direct contact for the One Stop Center. Appointments for Matt are made by him. ICBVI along with the WIOA partners ensure a team approach for providing employment services. The staff from ICBVI will attend annual collaborative training provided at the Comprehensive One-Stop Center. Center staff have a basic knowledge of the ICBVI VR services and are able to make a warm hand off to ICBVI staff. Appointments can be scheduled by phone or email via the information of the referral form.
- **TANF:** TANF benefits are accessible online at the Departments website. Potential customers are given the option of applying for benefits online or by phone. The Center staff is cross-trained to assist applicants with connecting to services. The Center has phones and computers available for applicants to utilize. Staff from the Department of Health and Welfare take part in the annual collaborative staff training provided at the Comprehensive AJC. The Department of Health and Welfare is the entity responsible for administering the website.
- **Unemployment Insurance:** Unemployment Insurance Claims are filed online at www.labor.idaho.gov. There are multiple computers in the comprehensive AJC designated for UI customers to file initial claims, weekly filing for continued unemployment insurance benefits, as well as accessing other unemployment insurance information. In addition, the ability to register, activate or inactivate their IdahoWorks job search profile in the system.

Center staff are available to assist customers with any process questions/issues when filing an

UI claim. All other questions/services can be accessed via telephones also available in the One Stop Centers. The Department of Labor has also developed a “click to chat” capability so that UI customers can obtain immediate assistance when necessary.

- **NFJP and CSBG:** CC Idaho staff are physically located in the comprehensive Center one day per week and take part in the annual collaborative staff training provided at the Center. Center staff have basic knowledge of the National Farmworker Jobs Program and Community Service Block Grants and are able to make a warm handoff directly to CC Idaho staff when they are in the center or by phone or e-mail via the information on the partner referral form.
- **AEL-ABE:** A College of Eastern Idaho (CEI) ABE Instructor is physically located at the One- Stop Center 24+ hours each week. Staff/instructor from CCR teach computer classes at the center as well as conducts GAINS and skills testing. Appointments for staff/instructor from CCR are made by them as well as by the One-Stop staff. WIOA, ES and ABE work hand in hand with many customers, taking a team approach to providing services. The staff from ABE take part in the annual collaborative staff training provided at the Comprehensive One-Stop Center. Center staff have basic knowledge of ABE programs and services and are able to make a warm handoff directly to Sandie on the days she is in the center, by scheduling an appointment or by phone or e-mail via the information on the partner referral form developed for this purpose.
- **CTE/Carl Perkins:** Customers requiring services through Perkins programs will be assisted by cross-trained American Job Center staff and by phone from staff in the Center for New Directions office on the CEI campus. For customers seeking services from Perkins programs offered through the CEI CTE Division, they will be provided basic services by cross-trained Center staff and will be referred to the Career and Advising office on the CEI campus. In most cases, a warm handoff to the CEI staff person will be made via the instructions on the region referral form. Staff from CEI take part in the annual collaborative staff training provided at the comprehensive AJC.
- **SCSEP:** Nanette Fisher, with Easter Seals-Goodwill, is the direct contact for the comprehensive AJC. Center staff or clients may contact Nanette by phone or email for program information or to make a referral. Intake interviews can be conducted over the phone or in person with Nanette or another ESGW SCSEP Employment Specialist. The AJC provides space for ESGW SCSEP staff to meet with potential participants, conduct interviews, etc. The staff from SCSEP provide annual training to AJC staff to ensure Center staff have the basic program knowledge necessary to assist customers with accessing SCSEP services.
- **Job Corps:** A Job Corp Representative is physically at the comprehensive center twice a month. Center staff have basic knowledge of Job Corps programs and services and are able to make a warm handoff directly by scheduling an appointment via phone or e-mail per the information on the partner referral form. Most often, staff will contact the representative while the customer is in the Center, make the introduction and then connect the customer in order for Job Corps to conduct an initial interview. Job Corp utilizes space at the Center to interview the potential participants during their monthly on-site visits. Staff from Job Corps take part in the annual collaborative staff training provided at the comprehensive AJC.

Referrals to/from Partners within the Service Delivery Area – Narrative Description

Coordination of services, referrals, visits, etc. happen on a daily basis as directed by our customer population. Network partners in Region 6 have a long and successful history of collaboration and coordination of services to assist customers with multiple barriers to employment. Because of this, formalities are not necessary at the local level. Coordination of services commonly occurs by picking up the phone and having the conversation, scheduling team staffing/appointments/visits for joint participants, sharing case notes and working in unison to assist customer with barrier removal. Each partner has their unique area of expertise and target population and staff coordination ensures that the referrals/services are utilized where and when appropriate. Network partners have created a common referral form/process which endorses this interaction and coordination.

Idaho Department of Labor American Job Center staff also participate in the Comprehensive AJC Center partner program staff training provided annually. This cross-training provides the Affiliate AJC staff the key basic services and eligibility requirements of all network partner programs.

Referrals to/from Partners in the Service Delivery Area– Narrative Description

Assisted referrals cover most referrals made by Community Council of Idaho where staff, with the permission of the participant, contact the referral source on behalf of the participant. A referral form is completed and includes what information will be passed on to the third party when arranging the contact.

Open referrals can be made by Community Council of Idaho staff. This is where participants are encouraged to make contact themselves directly with the partner agency to which they are being referred. It will be up to the participant to decide if to follow up any recommendations and to act to contact the relevant service(s). Community Council of Idaho staff will follow-up with the partner agency on the referral.

Both types of referrals are welcomed by Community Council of Idaho staff from partners and directly from potential participants.

Referrals to/from Partners in the Service Delivery Area– Narrative Description

Referrals from network partners can be made to the College of Eastern Idaho’s ABE program by telephone or in person at the Adult Basic Education center in Room 340 at College of Eastern Idaho, (208) 535-5386.

CEI’s ABE program has an instructor/advisor at the comprehensive one-stop center part-time, four days a week. This instructor/advisor tests a potential student and is able to register the student in ABE classes at CEI. Students may do their testing and orientation to the CEI ABE program either at the one-stop or at CEI.

On the CEI campus, all ABE intake and orientation staff are trained on how to make meaningful referrals to the one-stop and other partner agencies both on initial intake and as the student progresses through the program.

Referrals from network partners can be made to The Center for New Directions at College of Eastern Idaho in person in Room 582 or by phone at (208) 535-5363.

On the CEI campus, the Center for New Directions provides career counseling to students who are enrolled at CEI and also to the community of Idaho Falls and the surrounding areas. The Center for New Directions is dedicated to helping students, displaced homemakers and other citizens in the Eastern Idaho area to learn about employment opportunities. This service includes a career survey to help with career interests and job exploration. We participate in trainings with the one-stop in order to be able to make meaningful referrals to the one-stop center's services.
