

DESKTOP--HOMEPAGE-V3

DESKTOP--LANDING-PAGE

# IDAHO DEPARTMENT OF LABOR

## IDAHO APPRENTICESHIP

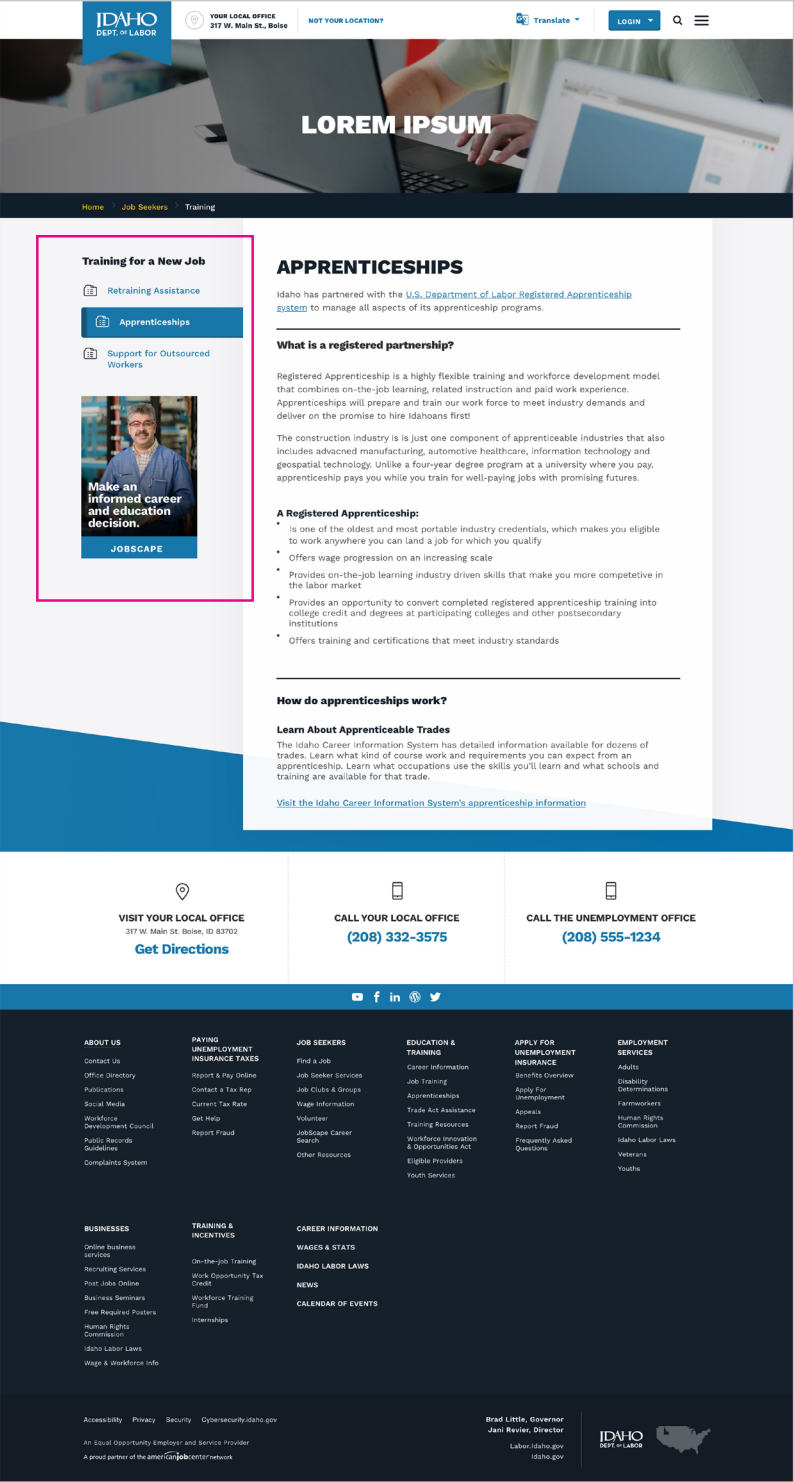

### LANDING PAGE

## Home Page

The “desktop--landing-page” will serve as the base of the apprenticeship home page with the key components highlighted in magenta as the core of the new page (removing non-essential components). We will then use other perscribed elements from the Atomic Stylesheet/Web Styleguide provided in zeplin to tailor the page to our needs.

- The highlighted area on top “desktop--homepage-V3” will function as our promotional area.
- The highlighted area on “desktop--homepage-V3” will will be the secondary navigation and will lead to these three areas/pages:
  - Apprenticeship Seeker
  - Employers
  - Educators
- The highlighted area of “desktop--landing-page” will be the Resource content:
  - FAQ
  - Finding an Apprenticeship
  - Getting an Apprenticeship
  - Services for Veterans
  - Employer Resources

DESKTOP--SUBPAGE

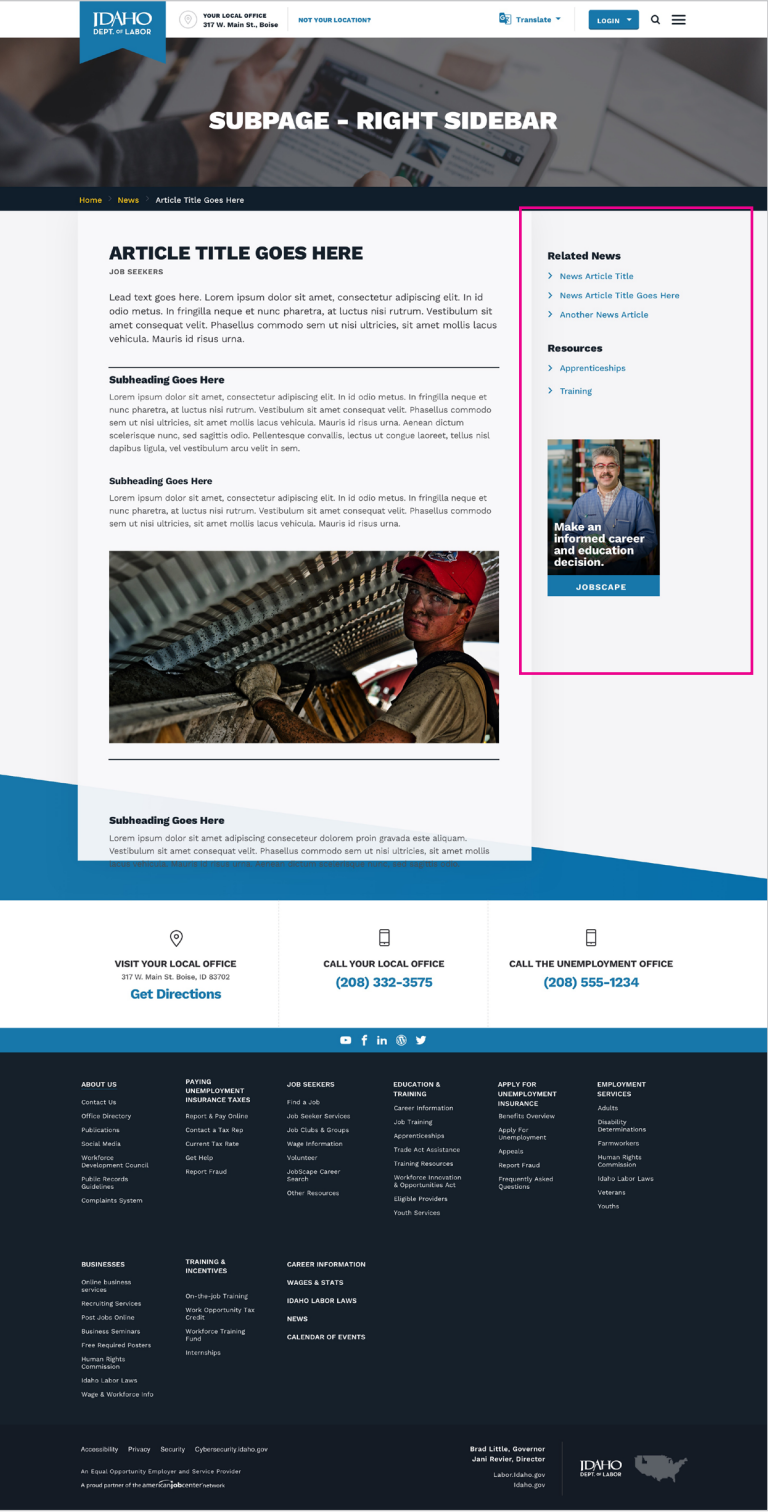

# IDAHO DEPARTMENT OF LABOR

## IDAHO APPRENTICESHIP

### LANDING PAGE

#### Main Sub-Pages

- “Desktop--subpage” will serve as secondary page for the three primary categories:
  - Apprenticeship Seeker
  - Employers
  - Educators
- The highlighted area will be used for secondary navigation for any specific sets of information related to each potential audience.

DESKTOP--SUBPAGE - RIGHT SIDEBAR

# IDAHO DEPARTMENT OF LABOR

## IDAHO APPRENTICESHIP

### LANDING PAGE

#### Resource Pages

- “Desktop--subpage - right sidebar” will serve as secondary page for the Resource pages:
  - FAQ
  - Finding an Apprenticeship
  - Getting an Apprenticeship
  - Services for Veterans
  - Employer Resources
- The highlighted area will be used for secondary navigation for the resource categories. This will allow the user to navigate all the content for these categories without being forced to return to the homepage.
