Review Agenda

No changes to the agenda

Silver Valley Economic Development Corp.

They would like to bus students from 3 school districts to the 11th Annual Hard Hats, Hammers & Hot Dogs Manufacturing & Construction Career Day. They are currently forming a technical education campus in Shoshone County and feel the hands-on experience of 4H will engage the community through the student's excitement. They want to educate the community on the benefits of the V-TEC school and the asset it will add to their educational offerings, retaining families in the county and economic growth for the long term.

The budget pays for travel one-way, they would cover the return trip.

Motion by Mr. Park to approve the Silver Valley Economic Development Corp Outreach Project in the amount of \$442. Second by Ms. Smith. Motion carried.

Update on the Externships program we had 11 sites offer to take on an extern. We had 19 teachers to apply. We are working to find sites for the 8 additional teachers. The Committee is receptive to the WDC staff coming back to request additional funds to cover the additional teachers.
