

Outreach Presentations

Wendi: Are there opportunities to use these videos on CIS?

- Career One-Stop videos are now being used on CIS and Sara would have to work with the programmer to find out if they could use them.

Note Military on the Adults in Transition Slide.

Doug: Add in HR to the Connectors Slide

Jeff: How many personas will be created?

- We are continually creating them so unsure at this time.

Trent: Is it outside the scope of the site to help those who may need help with substance abuse, adult education, literacy, etc.?

- Absolutely not.

Jeff: When there is no funding for this, who is going to pay for it?

- We will need the sustainability that comes from some type of structure for governance. We are on a tight timetable to make the recommendations that we need to get this moving forward.

Trent: Who owns the self-rescue guide?

- Health and Welfare

Angela: Mentor Portal

Trent: Concern with the bandwidth in Idaho and it being available to everyone.

- The Outreach Committee has started to do some work on this issue. The Committee approved the first outreach effort that would be supported by the WDC and an enormous piece of that is a grassroots campaign that is happening on foot. The Libraries are also partners with these projects.

Janelle: What is the timeline for receiving feedback and input on this project?

- Caty is happy to accept that feedback at anytime.
