

## Idaho Launch Updates & Decision Points

## General Updates

- Went live with public institutions.
- Working with Division of Purchasing to add other providers.
- Questions about individual course vs. training program.
- Question about incarcerated individuals using the program.

---

*Seek approval from Council to pay for all of subscription cost?*

## Apprenticeship Related Training

- 6 Workforce Training Centers offer 4 years of related training for electrical, plumbing and HVAC apprenticeship programs.
- 6 Joint Apprenticeship Training Centers offer 3-5 years of related training for electrical, plumbers & pipefitters and sheet metal apprenticeship programs

*Approval needed to add these programs to the list of approved trainings. Keep in mind we only pay up to \$2,000 of the cost per the policy.*

# Apprenticeship Related Training

## Electrical Apprenticeship:

- CSI, ISU, LCSC, CEI, CWI, NIC
  - Year 1, 2, 3, 4

## Plumbing Apprenticeship:

- CSI, ISU, LCSC, CEI, CWI, NIC
  - Year 1, 2, 3, 4

## HVAC Apprenticeship:

- CSI, ISU, LCSC, CEI, CWI, NIC
  - Year 1, 2, 3, 4

## CDL Training

- North Idaho College is the only public provider – Region 1
- There are 6 private CDL training providers in the state that offer both the classroom and driving component:
  - Region 1 - Sage Truck Driving School, Coeur d'Alene
  - Region 2 - Swift Driving School, Lewiston
  - Region 3 -
    - Sage Truck Driving School, Caldwell
    - Idaho CDL Training, Boise
  - Region 4 - Top Gun Academy, Twin Falls
  - Region 5 - Sage Truck Driving School, Blackfoot
  - Region 6 - None

*Approval needed to add these programs to the list of approved trainings. Do we want one program per region, or is it okay if Regions 1 & 3 have two providers? Keep in mind we only pay up to \$2,000 of the cost per the policy.*

## Auto Mechanic Training

- No workforce training/non-credit options
- A few private/3<sup>rd</sup> Party providers have online courses
- Technical colleges offer basic (~20 credits), intermediate (~35 credits), and advanced (~59 credits) technical certificates along with Associate degrees (65 credits).

---

*Approval needed to add technical college certificate and/or degree programs; however, they qualify for federal financial aid.*

## Auto Mechanic Training

| Institution               | Certificates/Degrees Offered                                  |
|---------------------------|---|
| North Idaho College       | Intermediate & Advanced Technical Certificates, AAS           |
| Lewis Clark State College | Intermediate & Advanced Technical Certificates, AAS           |
| College of Western Idaho  | Basic, Intermediate, and Advanced Technical Certificates, AAS |
| College of Southern Idaho | Basic & Intermediate Technical Certificates, AAS              |
| Idaho State University    | Advanced Technical Certificate and AAS                        |
| College of Eastern Idaho  | Basic, Intermediate, and Advanced Technical Certificates, AAS |

## Online 3<sup>rd</sup> Party Training Options

- Idaho institutions use six primary 3<sup>rd</sup> party curriculum providers:
  - LERN
  - ED2GO
  - U Got Class
  - Career Step
  - ProTrain
  - JER Online
  - Penn Foster

*When approved for one institution, can staff add the same course if another institution is able to offer it?*

# New Courses for Approval

- See spreadsheet...
