Welcome

IDOL Staffing Update

Liesl Milan has left the Idaho Department of Labor. She is going back to Boise State University. We are thankful for her work on the state plan and on the WIOA Advisory Group.

Right now, we have had all of the state plan sections going to Liesl. Where do we want those emailed?

- Right now, they are unsure where it is going to go. Next week Mr. Cabrera will have a better idea on where those sections will get sent.
- For the purpose of the sections due today please send them over to Ms. Nielebeck so she can pass them along to IDOL.
