    - Sarah and Admir have been working on a data sharing agreement for SCSEP?
      - It will be going to legal at IDOL next and then it will go back to Admir. It is still in process.
      - We are starting over with Health & Welfare since Shannon left.
      - We are also integrating Perkins.
      - Just add a statement that we are working on integrating those three.

  - Discussed and made changes to the Veterans section.
    - See <https://wdc.idaho.gov/2022-wioa-state-plan-update/> for the changes made to this section.
    - The text is very focused on IDOL. Do we need to mention other agencies?
      - It would be important to add a sentence about VR's partnerships to assist veterans.
      - Also add a sentence about how SCSEP prioritizes veterans.

- Ms. Secrist will reach out to Korey if Title II has any priority with assisting with veterans.
- (b)(8) – Accessibility
