Overview of STEM AC Programs

Dee Mooney

- I-STEM
 - summer professional development opportunity for educators (PK-12) working in both formal and informal settings focused on improving access to effective STEM learning opportunities in collaboration with industry.
- Externship
 - places educators into workplace experiences during the summer months to bring these experiences back into the classroom.
- EcosySTEM
 - Through its support of the Idaho STEM Ecosystem STEM AC seeks to fulfill several of the legislative requirements. The Idaho STEM Ecosystem engages partners to foster transformative STEM learning experiences and expand career pathways in every Idaho community.
- Idaho's Science and Engineering Fairs
 - 3 Regional Fairs
 - Northern Idaho Science and Engineering Fair (NISEF)
 - Western Idaho Science and Engineering Fair (WISEF)
 - Eastern Idaho Science and Engineering Fair (EISEF)
- STEM School Designation
 - established to serve as an indicator for parents and students looking for STEM school experiences in Idaho helping schools meet standards aligned with best practices to foster in-demand skills and competencies.
- Computer Science Education Week, bringing industry partners to schools December 8 – 14, 2025
- Learning Blade, Career Exploration for fifth through ninth grade

Overview of STEM Promotions and Attendance

Katie Bosch-Wilson

- I-STEM 2025 520 participants
- Externship 2025 102 participants
- Idaho Science & Engineering Fair FY26 goal 90 student projects with 6 continuing to the Regeneron International Science and Engineering Fair
- STEM School Designation, currently 11 participating schools

Final thoughts

Sherawn Reberry

- We are shaping the vision as we come together
- Currently the team is housed at the Capital Annex and at the Hoff Building
- Questions
 - Legislature approval – who is our support how are we looking

WORKFORCE DEVELOPMENT COUNCIL

514 W Jefferson St, Ste 136, Boise, Idaho 83702

- Wendy Horman will carry this through
- Traveling the state meeting with key legislatures
- Initiative, code cleanup EELS teeing this up as part of it
- STEM Foundation has become a stand-alone non-profit and will be changing their name
- \$47M was given to WDC in 2023 for use with STEM, those funds were utilized for Innovation and Industry grants around the Micron expansion
- Opportunity to support programs at a higher level with integration.

Motion by Ms. Joy to adjourn. Second by Ms. Duman. No objections.

Adjourned at 2:20 p.m.
