

Apprenticeship Committee Objectives

Objective 1

Implement an outreach strategy to:

- increase awareness and perception of apprenticeships as a pathway to careers for students, parents, teachers and counselors.
- Increase employers' utilization of the apprenticeship model

How might we measure success

- Percentage increase in employers using apprenticeship model.
- Confirm with survey results that our targeted audiences understand this learning model.

Objective 2

Evaluate State Apprenticeship Agency and make recommendation to the Workforce Development Council.

How might we measure success

- Finalize business case and present to Executive Committee in September 2019.
- Based on Executive Committee feedback finalize recommendation for full Council by April 2020.

Objective 3

Increase employers' and educators' utilization of the apprenticeship model.

- Set a growth goal for increasing apprenticeships using available data and benchmarks from similar states.

How success might be measured:

- Develop goal by October 2019 Governor's Summit.

Objective 4

In collaboration with the State Board of Education and Idaho's postsecondary institutions, gain approval for a statewide registered apprenticeship to associate degree framework.

How might we measure success

- College of Southern Idaho receives approval from the State Board by September 2019.
- Gain approval for other institution by January 2020 with programs in place at the institutions by August 2020.

Objective 5

Explore Work-Based Learning Opportunities Beyond Apprenticeships and make a recommendation to the Council on how they should be supported.
